Regional Trails Management Plan - Implementation Update

[At the October 27, 2021 Regional Parks Meeting, two additional motions arising were carried and a supplemental table was added:]

The Regional Parks Committee recommends to the Capital Regional District Board:

1. That the report be received for information.
2. That the Board refer strategic action 2 in the Regional Trails Management Plan to the Capital Regional District Transportation Working Group, as a priority for action in 2022 and to refer all outstanding actions from the plan that require local government coordination to the Working Group to consider in advancing regional transportation priorities.
3. That the Committee direct staff to report back in 2022 on options for evaluating the evolution of the regional trail network.
