### Regional Foodlands Access Program - Preliminary Business Case

[At the March 16, 2022 Planning and Protective Services Committee meeting, the Committee moved and carried Alternative 2 in the report:]

The Planning and Protective Services Committee recommends to the Capital Regional District Board: That the CRD Board direct staff to proceed with the next phase of work to establish a regional foodlands access service by identifying the operational requirements, service participants and funding strategy needed to establish a service.
