## INDEPENDENT AUDITOR'S REPORT

To the Shareholder of the Capital Region Housing Corporation

### **Opinion**

We have audited the financial statements of the Capital Region Housing Corporation (the Corporation), which comprise:

- the statement of financial position as at December 31, 2023
- the statement of operations for the year then ended
- the statement of changes in net assets and remeasurement gains and losses for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Corporation as at December 31, 2023, and its results of operations, its changes in net assets and remeasurement gains and losses, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

## **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Corporation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Emphasis of Matter - Comparative Information

We draw attention to Note 2 to the financial statements which explains that certain comparative information presented for the year ended December 31, 2022 has been restated. Note 2 explains the reason for the restatement and also explains the adjustments that were applied to restate certain comparative information. Our opinion is not modified in respect of this matter.

KPMG LLP, an Ontario limited liability partnership and member firm of the KPMG global organization of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee. KPMG Canada provides services to KPMG LLP.

### Other Matter - Comparative Information

As part of our audit of the financial statements for the year ended December 31, 2023, we also audited the adjustments that were applied to restate certain comparative information presented for the year ended December 31, 2022. In our opinion, such adjustments are appropriate and have been properly applied.

#### Other Information

Management is responsible for the other information. Other information comprises:

the information, other than the financial statements and the auditor's report thereon, included in the Annual Report.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit and remain alert for indications that the other information appears to be materially misstated.

We obtained the information, other than the financial statements and the auditor's report thereon, included in the Annual Report as at the date of this auditor's report.

If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in the auditor's report.

We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Corporation's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Corporation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Corporation's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

#### We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
  sufficient and appropriate to provide a basis for our opinion.
  - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
  are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness
  of the Corporation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and events in a
  manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope
  and timing of the audit and significant audit findings, including any significant deficiencies in internal control
  that we identify during our audit.

### MANAGEMENT REPORT

The Financial Statements contained in this report have been prepared by management in accordance with Canadian public sector accounting standards. The integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Directors are responsible for approving the financial statements and for ensuring that management fulfills its responsibilities for financial reporting and internal control.

The external auditors, KPMG LLP, conduct an independent examination, in accordance with Canadian public sector accounting standards, and express their opinion on the financial statements. Their examination includes a review and evaluation of the corporation's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and free access to staff and management. The Independent Auditors' Report outlines the scope of the audit for the year ended December 31, 2023.

On behalf of Capital Regional District and Capital Region Housing Corporation,

Nelson Chan, MBA, CPA, CMA Chief Financial Officer May 8, 2024

See accompanying notes to the financial statements.

## Notes to the Financial Statements

For the Year Ended December 31, 2023

#### General

The Capital Region Housing Corporation (the "Corporation") is incorporated under the laws of British Columbia and its principal activities include the acquisition, construction, and provision of rental accommodation. As a wholly owned subsidiary of the Capital Regional District ("CRD"), the Corporation is exempt from taxation under the Income Tax Act and is regarded as a municipality for GST purposes.

## 1. Significant Accounting Policies

The financial statements have been prepared in accordance with Canadian public sector accounting standards including the 4200 standards for government not-for-profit organizations.

## a. Revenue Recognition

The Corporation follows the restricted fund balance method of accounting for contributions. Unrestricted contributions are recognized as revenue of the Operating Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Restricted contributions related to general operations are recognized as revenue of the Operating Fund in the year to which the funding relates. All other restricted contributions are recognized as revenue of the appropriate restricted fund in the year received or receivable.

### b. Fund Accounting

### i. Operating Funds

The Operating Funds reflect the Corporation's assets, liabilities and transactions relating to the ongoing rental and non-rental operations ("Corporation"). In accordance with the agreements with British Columbia Housing Management Commission (BCHMC), a Portfolio Stabilization Reserve has been established for each portfolio's accumulated operating surplus. The Corporation has also established a reserve for the No Operating Agreement portfolio. These reserves are used in the event that annual rental revenues and government subsidies are inadequate to meet the portfolio's mortgage payments and operating costs. The Corporation can also contribute funds from these reserves to the Replacement Reserve Fund, if required. At the discretion of the Board, the unrestricted Corporate Stabilization Reserve provides funding for administration and special projects. The Corporation allocates administration and property management costs incurred in the Corporation Operating Fund to the Rental Housing Operating Fund through Rental management fees.

### ii. Capital Fund

The Capital Fund reflects the Corporation's investment in capital assets and related financial activities.

## b. Fund Accounting (continued)

### iii. Replacement Reserve Fund

A Replacement Reserve Fund has been established for each building to pay for the replacement of worn-out capital equipment and other approved items. The Replacement Reserves are funded by an annual transfer from the Rental Housing Operating Fund. Capital expenditures made from the reserve are transferred to the Capital Fund.

### c. Asset Retirement Obligations

An asset retirement obligation (ARO) is a legal obligation to incur costs to retire a tangible capital asset in a future period. AROs are measured at the present value of expected future cash flows including an estimate for inflation. Future cash flows are based on the best information available at the financial reporting date. Accretion expense is recorded annually to reflect the cost associated with an increase in the present value of the ARO over time. The carrying amount of the liability is reassessed annually and updated as new information becomes available. Changes in estimates are recorded prospectively and the liability is derecognized when retirement activities are completed.

The asset retirement cost at initial recognition is capitalized along with the related tangible capital asset and amortized in accordance with the Corporation's tangible capital asset policy Note 1 d).

## d. Capital Assets

Land, buildings, equipment and vehicles are stated at cost. Amortization is charged upon the asset becoming available for productive use in the year of acquisition. Amortization over their estimated useful lives is provided on the straight-line basis at the following rates:

Asset	Rate
Prepaid leases	29-60 Years
Buildings	35 Years
Equipment	10 Years
Vehicles	5 Years

All transfers from the Replacement Reserve Fund and office equipment are stated at cost and amortization is taken on the declining balance basis at 20% per annum.

Capital assets are written down when conditions indicate that they no longer contribute to the Corporation's ability to provide goods and services or when the value of the future economic benefits associated with the asset is less than the book value of the asset.

#### e. Debt Retirement

Payment of principal on long-term debt is funded by a transfer from the Rental Housing Operating Fund to the Capital Fund.

### f. Operating Agreements

#### i. Umbrella

Effective April 1, 2012, the Corporation signed a thirty-three month Interim Umbrella Operating Agreement (the "Umbrella Agreement") with BCHMC to consolidate three operating agreements to reduce administrative duplication, allow the Corporation more flexibility to determine priorities for the portfolio maintenance and management and create a stable and predictable funding stream for the Corporation. In addition, the parties agreed to work together to develop a long-range capital planning tool to enable the Corporation and BCHMC to determine the capital replacement needs of the portfolio for the next thirty years and to negotiate on the transfer of the land ownership of the BCHMC projects from the Provincial Rental Housing Corporation to the Corporation. The final agreement was signed on December 2, 2014 with an effective date of January 1, 2015, for a five year term, and was renewed in December 2019 for an additional five year term ending 2024.

Effective August 17, 2020, the Umbrella Agreement was modified to remove three properties, Portage Place, Campus View Court, and Royal Oak Square, whose mortgages had matured and which were originally part of the CMHC Agreement described below. The properties were moved to the CRHC No Operating Agreement portfolio and their corresponding Replacement Reserve balances were moved to the CRHC No Operating Agreement Replacement Reserve. No transfers were made between Portfolio Stabilization Reserves. As a result of this change, the Umbrella Agreement now contains 38 buildings and 1,071 units.

Except as modified by the Umbrella Agreement, all provisions of the original three operating agreements with CMHC, BCHMC and Homes BC will continue to apply to each project in the portfolio.

### a) CMHC

Prior to April 1, 2012 the Corporation had entered into agreements with CMHC pursuant to Section 95 (formerly Section 56.1) of the National Housing Act whereby CMHC will provide mortgage assistance grants to the Corporation that reduce interest costs to not less than 2% on all mortgages payable. As of January 1, 2005 when a mortgage loan is renewed the mortgage assistance grants shall increase or decrease by the same dollar amount as the monthly loan payment of principal and interest changes.

#### b) BCHMC

Prior to April 1, 2012 the Corporation had entered into agreements with BCHMC whereby BCHMC, on behalf of the Provincial and Federal governments, will provide rent subsidy assistance equal to the BCHMC approved difference between tenant rent contributions and BCHMC defined economic rents.

### f. Operating Agreements (continued)

### i. Umbrella (continued)

## c) Homes BC Program

Prior to April 1, 2012 the Corporation had entered into agreements with BCHMC under the unilaterally funded Homes BC Program. The Provincial Government agrees to provide rent subsidy assistance for Rent Geared to Income (RGI) units (approximately 60% of total units) based on the difference between the tenant rent contribution and the approved economic rents. The Province also agrees to provide Repayable Assistance equal to the difference between the economic and the approved low-end of market rents for the remaining units.

## ii. Independent Living BC II Program

The Corporation has entered into an agreement with BCHMC under the unilaterally funded Independent Living BC II Program. The Provincial Government agrees to provide subsidy assistance for shelter and defined hospitality costs based on the difference between seventy percent (70%) of the residents' net income and the approved operating budget.

### iii. Regional Housing First Program

The Regional Housing First Program (RHFP) is a partnership between the Provincial and Federal governments and the CRD to provide one-time capital funding to affordable housing projects in the region. The Corporation has entered into a 40-year agreement with BCHMC on behalf of the RHFP whereby the Corporation provides shelter-rate and affordable rents to low and moderate income tenants. No other financial contribution is received to subsidize the ongoing operation of the buildings.

### iv. Investment in Housing Innovation Program

The Corporation has entered into a 40-year agreement with BCHMC under the Investment in Housing Innovation (IHI) program. Capital funding was provided in the form of a forgivable loan to facilitate the construction of the Westview building. No other financial contribution is received to subsidize the ongoing operation of the building.

### v. Community Housing Fund

The Corporation has entered into a 60-year agreement with BCHMC under the Community Housing Fund (CHF) program. Capital funding was provided in the form of a forgivable loan to facilitate the construction of the Twenty-Seven Eighty-Two building. An operating subsidy is provided as approved in the annual building operating budget.

### vi. CRHC No Operating Agreement

This category includes buildings that receive no mortgage assistance or rent subsidy assistance. Tenant rent contributions are determined by the Corporation.

## g. Allocation of Investment Income

Funds available for investment are pooled and interest revenue is allocated to restricted funds at the rate of average prime minus 1.31% (2022: average prime plus 0.78%).

#### h. Financial Instruments

Financial instruments are recorded at fair value on initial recognition. Derivative instruments, bonds, bond funds, and equity instruments that are quoted in an active market are subsequently reported at fair value. All other financial instruments are subsequently recorded at cost or amortized cost unless management has elected to carry the instruments at fair value. The Corporation has not elected to carry any other such financial instruments at fair value.

Unrealized changes in fair value are recognized in the statement of remeasurement gains and losses until they are realized, when they are transferred to the statement of operations.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

All financial assets are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the statement of operations and any unrealized gain is adjusted through the statement of remeasurement gains and losses.

## i. Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Significant estimates and assumptions include amortization of capital assets and discount and inflationary rates used to determine ARO balances. Actual results could differ from those estimates.

### 2. Adoption of New Accounting Standard

On January 1, 2023, the Corporation adopted Public Sector Accounting Standard PS 3280 Asset Retirement Obligations. The new accounting standard addresses the reporting of legal obligations associated with the retirement of certain tangible capital assets. The standard was adopted on a modified retroactive basis and prior year balances have been restated to conform to new reporting requirements. The accounting policy is disclosed in Note 1 c) and ARO balances disclosed in Note 7.

## 2. Adoption of New Accounting Standard (continued)

In accordance with the provisions of the new standard, the Corporation reflected the following adjustments for the year ended December 31, 2022:

	Previously Stated		2022 Restated
Statement of Financial Position			
Assets			
Capital assets	\$ 217,260,292	506,701	\$ 217,766,993

Asset retirment obligation adoption adjustment	-	(8,279,238)	(8,279,238)

### 3. Cash and Cash Equivalents

Cash equivalents have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments. Included in cash and cash equivalents are investments in the Municipal Finance Authority of British Columbia (MFA) Short Term Bond Funds. See Schedule A for details of cash and cash equivalents restricted for replacement reserve.

At December 31, 2023, there is \$nil (2022: \$4,430,279) of cash and cash equivalents from mortgage proceeds restricted in use to finance capital improvements or construction of new properties.

## 4. Capital Assets

December 31, 2023		Cost	Accumulated Amortization		Net Book Value
Land	\$	9,496,053	\$ -	\$	9,496,053
Prepaid leases		148,181,402	14,089,236		134,092,166
Buildings		199,057,658	90,278,565		108,779,093
Equipment and other		45,124,225	35,087,274		10,036,951
	\$	401,859,338	\$ 139,455,075	\$	262,404,263

December 31, 2022 - Restated (Note 2)	Cost	Accumulated Amortization	Net Book Value
Land	\$ 9,496,053	\$ -	\$ 9,496,053
Prepaid leases	134,951,377	11,658,345	123,293,032
Buildings	162,809,348	86,616,657	76,192,691
Equipment and other	41,784,069	32,998,852	8,785,217
	\$ 349,040,847	\$ 131,273,854	\$ 217,766,993

## 5. Short-term capital financing

Short term capital financing of \$27,454,719 (2022: \$21,157,445) is provided by BCHMC at a variable rate based on that charged to them by the Ministry of Finance plus an administrative spread. The short term debt is converted to a long term mortgage at the completion of each construction project. In 2023, \$13,933,727 of short term capital financing was converted to long term mortgage at the completion of the Twenty-Seven Eighty-Two construction project. In 2022, \$2,151,025 short term capital financing was forgiven and recorded in Government contributions on the Statement of Operations.

## 6. Mortgages Payable

Pursuant to Section 5 of the National Housing Act, CMHC has undertaken to insure all mortgages payable by the Corporation except the mortgages on Village on the Green and Vergo. As additional security, the mortgagers hold chattel mortgages and assignments of rent.

Principal due within each of the next five years on these mortgages is as follows:	ssuming no mortgage renewal	Assuming mortgage renewal
2024	\$ 14,427,188	\$ 6,173,316
2025	8,837,329	5,958,720
2026	6,644,553	5,748,113
2027	11,452,520	5,607,311
2028	\$ 4,006,294	\$ 5,276,183

See Schedule D for details of interest rates, renewal dates, and maturity dates of mortgages. Mortgage renewal amounts are calculated based on existing rates and do not consider current prevailing market rates.

## 7. Asset Retirement Obligations

The Corporation owns buildings that contain hazardous materials including asbestos and lead. There is a legal obligation to remove these materials in a prescribed manner when they are disturbed. These costs are expected to be incurred over the next 17 years as buildings are demolished or renovated. The retirement costs are estimated to include all costs directly attributable to the abatement of the hazardous materials, including overhead costs.

The Corporation uses the Municipal Finance Authority (MFA) long-term borrowing rate as the discount rate. The 10-year average B.C. consumer price index rate is used to estimate inflation and aligns with the Bank of Canada's target inflation range of 1.00% to 3.00%.

	2022 Restated (Note 2)	ARO Additions	ARO Settlements	Revisions to Estimate	Accretion Expense	2023
Hazardous Materials	\$ 8,279,238	\$ -	\$ -	\$ 864,654	\$ 377,533	9,521,426

Estimated cash flows have been discounted to present value. Discount and inflation rates in the future are estimates and subject to change. These changes can impact ARO values significantly when being applied over an extended duration.

	2023	2022 Restated (Note 2)
Discount Rate	4.17%	4.56%
Inflation rate	2.54%	2.15%
Settlement Timing	10 to 17 years	11 to 18 years

## 8. Capital Stock

Authorized capital:2,000 shares with par value of \$1 each

Issued capital: 1 share of \$1 par value, owned by the Capital Regional District.

## 9. Invested in Capital Assets

Investment in capital assets is calculated as follows:

	December 31, 2023	December 31, 2022 Restated (Note 2)
Capital assets	\$ 262,404,263	\$ 217,766,993
Accounts Receivable	5,516,825	2,347,762
Interfund due from rental housing operating fund	553,905	1,832,022
Restricted cash	-	4,430,279
Prepaid expense	109,184	-
Mortgages payable	(175,492,584)	(158,604,520)
Short-term capital financing	(27,454,719)	(21,157,445)
Asset retirement obligations	(9,521,426)	(8,279,238)
	\$ 56,115,448	\$ 38,335,853

### 10. Restricted Net Assets

Externally restricted net assets:

Portfolio stabilization reserve - IHI agreement		479,065		389,301
Portfolio stabilization reserve - CHF agreement		(35,557)		5,477
Portfolio stabilization reserve - no operating agreement		1,026,805		959,903
CMHC/BCHMC/Homes BC operating agreements		(3,949)		(3,949)
	\$	4,405,576	\$	4,919,027

The Portfolio stabilization reserves are detailed in Schedule B.

## 11. Unrestricted Net Assets

Unrestricted net assets - corporation stabilization reserve:

	De	cember 31, 2023	De	ecember 31, 2022
Operating net assets, ending balance	\$	1,935,272	\$	1,032,084
Less: Internally restricted net assets				
Guest suite surplus		(41,502)		(39,701)
Vehicle replacement reserve		(17,863)		(101,204)
Equipment replacement reserve		(20,057)		(25,652)
	\$	1,855,850	\$	865,527

## 12. Commitments and Contingencies

### a. Related Party Transactions

The Corporation is a wholly owned subsidiary of the Capital Regional District (CRD). In 1997, the Corporation committed to a 60-year prepaid land lease at 625 Superior Street from the CRD at the agreed upon price of \$525,000 which was recognized as an acquisition in the Corporation Capital Fund. In 2017, the Corporation committed to a 60-year land lease at 3816 Carey Road from the CRD for one dollar, with the land use restricted to affordable housing. In 2021, the Corporation committed to a 60-year land lease at 2782 Spencer Road from the CRD for ten dollars, with the land use restricted to affordable housing.

In 2018, a RHFP project management office was created to support the delivery of the Program. During the year the Corporation contributed \$205,842 (2022: \$27,538) to the CRD, to cost share in administrative support and project management services.

On January 25, 2019, as part of the RHFP, the CRD purchased Millstream Ridge and entered into a 60-year prepaid lease in the amount of \$33,250,194 and a 35-year operator agreement with the Corporation. The Corporation secured 35-year mortgage financing to fund the prepaid lease.

On November 2, 2020, as part of the RHFP, the CRD purchased West Park and entered into a 60-year prepaid lease in the amount of \$29,430,822 and a 25-year operator agreement with the Corporation. The CRD's Regional Housing Trust Fund provided a capital grant to the Corporation in the amount of \$660,000 for this project. The Corporation secured 35-year mortgage financing to fund the prepaid lease.

On November 20, 2020, as part of the RHFP, the CRD purchased Spencer Close and entered into a 60-year prepaid lease in the amount of \$28,419,513 and a 35-year operator agreement with the Corporation. The Corporation secured 35-year mortgage financing to fund the prepaid lease

On March 22, 2021, as part of the RHFP, the CRD purchased Hockley House and entered into a 60-year prepaid lease in the amount of \$23,807,370 and a 35-year operator agreement with the Corporation. The Corporation secured 35-year mortgage financing to fund the prepaid lease.

On April 17, 2023, as part of the RHFP, the CRD purchased Prosser Place and entered into a 60-year prepaid lease in the amount of \$12,289,721 and a 35-year operator agreement with the Corporation. The Corporation secured 35-year mortgage financing to fund the prepaid lease.

## b. Sublease of Kings Place Housing Development

The Corporation entered into agreement with the Cridge Housing Society and the Provincial Rental Housing Corporation to sublease the land and improvements at 1070 Kings Road, Victoria for a term of thirty years commencing August 1, 1997. The Homes BC Program Operating Agreement was assigned to the Corporation from the Cridge Housing Society with the approval of the BCHMC. Current annual lease payments amount to \$244,137 and are based on the annual mortgage payments.

## 12. Commitments and Contingencies (continued)

## c. Building Envelope Remediation (BER)

Prior to the signing of the Umbrella Agreement in 2012, BCHMC provided funding for building envelope failure remediation for BCHMC and Homes BC buildings. BCHMC may require repayment of certain BER subsidies. Repayment would be funded by second mortgages. Funding for future BER for all buildings except No Operating Agreement buildings is subject to future negotiations with BCHMC. In 2014, BCHMC entered into an agreement with the Corporation to fund the Heathers BER with a 35-year forgivable mortgage of \$1,258,358. In 2023, BCHMC entered into an agreement with the Corporation to fund the Carey Lane BER with a 35-year forgivable mortgage of \$5,450,000.

#### d. Government Contributions

The Corporation has received funding to develop affordable housing units through forgivable loans. If the developments funded are not used for their approved purpose by the grantor, the loan will become repayable.

## 13. Pension Liability

The Corporation and its employees contribute to the Municipal Pension Plan (the Plan), a jointly trusteed pension plan. The Board of Trustees, representing plan members and employers, is responsible for administering the Plan, including investment of assets and administration of benefits. The Plan is a multi-employer defined benefit pension plan. Basic pension benefits provided are based on a formula.

As at December 31, 2022, the Plan has about 240,000 active members and approximately 124,000 retired members. Active members include approximately 61 contributors from the Corporation.

Every three years an actuarial valuation is performed to assess the financial position of the Plan and the adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the Plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the Plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent valuation for the Municipal Pension Plan as at December 31, 2021 indicated a \$3,761 million funding surplus for basic pension benefits on a going concern basis.

## 13. Pension Liability (continued)

The Corporation's employer contributions to the Plan for the fiscal year ended December 31, 2023 were \$291,414 (2022: \$258,786). The next valuation will be as at December 31, 2024, with results available in 2025.

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the Plan.

### 14. Financial Risks and Concentration of Risk

#### a. Credit risk

Credit risk refers to the risk that a counter party may default on its contractual obligations resulting in a financial loss. The Corporation is exposed to credit risk with respect to the accounts receivable, cash, and cash equivalents, and investments. The Corporation assesses, on a continuous basis, accounts receivable and provides for any amounts that are not collectible in the allowance for doubtful accounts. The maximum exposure to credit risk of the Corporation at December 31, 2023 is the carrying value of these assets. The carrying amount of accounts receivable is valued with consideration for an allowance for doubtful accounts. The amount of any related impairment loss is recognized in the statement of operations. Subsequent recoveries of impairment losses related to accounts receivable are credited to the statement of operations. The balance of the allowance for doubtful accounts at December 31, 2023 is \$0 (2022: \$0). There have been no significant changes to the credit risk exposure from 2022.

## b. Liquidity risk

Liquidity risk is the risk that the Corporation will be unable to fulfill its obligations on a timely basis or at a reasonable cost. The Corporation manages its liquidity risk by monitoring its operating requirements. The Corporation prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations.

Accounts payable and accrued liabilities are generally due within 30 days of receipt of an invoice. The contractual maturities of mortgages payable are disclosed in Note 6. There have been no significant changes to the liquidity risk exposure from 2022.

#### c. Market risk:

Market risk is the risk that changes in market prices, such as foreign exchange rates or interest rates will affect the Corporation's income or the value of its holdings of financial instruments. The objective of market risk management is to control market risk exposures within acceptable parameters while optimizing return on investment.

#### i. Foreign exchange risk:

The Corporation does not enter into foreign exchange transactions and therefore is not exposed to foreign exchange risk. There have been no significant changes to foreign exchange risk exposure from 2022.

## 14. Financial Risks and Concentration of Risk (continued)

- c. Market risk: (continued)
  - ii. Interest rate risk:

Interest rate risk is the risk that the fair value of future cash flows or a financial instrument will fluctuate because of changes in the market interest rates.

The Corporation holds cash equivalents in MFA Short Term Bond Fund where changes in fair value have parallel changes in unrealized gains or losses until realized on disposal.

The Corporation's mortgage interest rates are fixed and are subject to interest rate risk upon renewal. The interest rate risk is mitigated by the subsidy assistance received for most properties from BCHMC and CMHC, which is based on mortgage principal and interest payments. At December 31, 2023, there are nine properties which do not receive subsidy assistance based on mortgage interest rates: Village on the Green, Vergo, Royal Oak Square, Millstream Ridge, Westview, Spencer Close, West Park, Hockley House, and Prosser Place. These properties will be subject to interest rate risk upon renewal.

## 15. Comparative Information

2022 comparative information on the statement of operations has been recast to reflect a change in the presentation of project management fees adopted for the current year. Project management fees, which reflect the allocation of project management costs between the Corporate Operating Fund and the Capital Fund, are no longer presented as a caption on the statement of operations. Total revenue and expenses decreased by \$411,000 as a result of presenting internally generated project management fees on a net rather than gross basis. There was no change to prior year annual surplus as a result of the new presentation.

## Changes in Replacement Reserve Fund
