

Appendix E Grant Alignment with Community Needs

Community Needs Aligned with Grant Request (\$71.8 M Applied for 2023 Activity)

The following graph highlights services' pursuit of grant applications in relation to the CRD's identified community needs.

This graph's scale is capped at \$5M to allow comparison between Community Needs. The grant request for "water" greatly exceeds other categories due to a 63.2 M application to the Disaster Mitigation and Adaptation Fund.
