Langford would like the following motion on the next CRD agenda:

Whereas the BC Speculation Tax imposes an unfair tax burden on British Columbians and other Canadians who wish to purchase or own a second home in British Columbia, and;

Whereas the tax was imposed on municipalities without consultation or economic modelling of its impact, and;

Whereas the Government of British Columbia has already removed Parksville, the Gulf Islands, the Juan de Fuca Electoral Area and other areas due to pressure from various Members of the BC Legislature;

Therefore be it resolved that the Capital Regional District calls upon the BC Government to allow municipalities to opt out of this new housing speculation tax and;

Be it further resolved that the Capital Regional District put forward the above resolution for emergency debate and consideration at their year's 2018 UBCM Convention.

Thanks

Denise
