Please accept this letter as an application to add 105 Kilner Ave to the Ganges Sewer Service Area.

I believe all questions you require are answered as followed.

The number of existing or proposed buildings on the property, and their proposed use (ie, residential, commercial, etc),

**1 Residential building**

The total number of units and total square footage of all buildings

**1916 Square feet on two levels. 3 bedrooms**

The equivalent population for the whole property to be served,

**Approximately 15-17 clients plus 2 staff during COVID times.**

The average daily flow, peak hourly flow, and inflow and infiltration allowance. (for sanitary sewer connection only)

The domestic water peak demand based on total fixture units. (for water service connection only)

**We are not asking for a water service connection - that is in place already. the info is, however.**

**2.5 bathrooms (3 toilets, 2 showers, 2-bathroom sinks)**

**1 kitchen sink**

**1 dishwasher connection**

**1 clothes washer**

**2 exterior hose bibs**

Please let me know if you require any further information.

Michael
