

**MOTION WITH NOTICE TO THE CAPITAL REGIONAL DISTRICT BOARD  
MEETING OF Sept 13, 2017**

---

**SUBJECT**     **Establishment of Regional Transportation Service**

**ISSUE**

This report provides a resolution for the Board's consideration relating to the establishment of a Regional Transportation Service.

**RECOMMENDATION**

That the Board endorse the following resolution:

***Resolution: Establishment of Regional Transportation Service***

WHEREAS establishing a regional transportation service is a strategic priority of this board and this current term is drawing to a close.

AND WHEREAS there is a pressing and urgent need to manage transportation issues throughout the region in a more cohesive manner.

AND WHEREAS seven municipalities have already approved in principle the concept of a regional transportation service.

AND WHEREAS transportation issues are clearly a concern for all residents across the Capital Regional district.

THEREFORE BE IT RESOLVED THAT staff take the necessary measures to establish a regional transportation service within the next six months, including a counter petition process if necessary.
