**REPORT TO ELECTORAL AREAS COMMITTEE
MEETING OF WEDNESDAY, DECEMBER 11, 2024**

SUBJECT **Bylaw Nos. 4648 and 4649: Fees and Charges Bylaw Amendments for Utilities within the Three Electoral Areas**

ISSUE SUMMARY

To update the utility rates for the three electoral areas as recommended by the respective Commissions and Committees, and as included in the 2025 Financial Plan.

BACKGROUND

Amendments to the Electoral Area utilities fees and charges bylaws are recommended annually to reflect the rates included in the service budgets and financial plan for the forthcoming year. All local service Commissions and Committees have recommended their respective 2025 budgets, inclusive of the changes to fees and charges.

The proposed fee and charges amendments are intended to cover the projected net cost of service delivery inclusive of reserve contributions for the upcoming year. Board approval is required in advance of the effective billing period January 1 through December 31, 2025.

With final surplus and deficits not yet completed for 2024, results will be monitored to identify any material impact. If required, the material impact would be incorporated into a rate adjustment and bylaw amendment after final year end results.

Appendix C contains a comparison of changes to rates contained in each of the two bylaws: Bylaw No. 4648 (Appendix A) and Bylaw No. 4649 (Appendix B).

Bylaw No. 4648 covers all Salt Spring Island Electoral Area Sewer, Water and Liquid Waste Disposal Fees and Charges. Bylaw No. 4649 covers all Southern Gulf Islands and Juan de Fuca Electoral Areas Sewer, Water and Street Lighting Fees and Charges.

IMPLICATIONS

Financial Implications

Changes in fees and charges are required for local utility services in the three Electoral Areas to maintain adequate levels of funding for annual operating costs inclusive of reserve contributions and debt servicing. The recommended rates are effective January 1 through December 31, 2025 and reflect estimates of the 2024 surpluses and/or deficits.

CONCLUSION

Utilities within the Electoral Areas require changes to fees and charges, to reflect user fees required to fund operating and capital budgets. The Commissions and Committees have recommended their respective 2025 service budget for Board approval; this approval is required prior to January 1, 2025, to attain the revenue targets specified in the 2025 service budgets.
