Meeting Date::
Feb 17, 2021, 9:30am

Support for UBCM Resolution B143. Facilitating Multimodal Planning in the CRD

My reason(s) for appearing (is/are) and the substance of my presentation is as follows::
Hey!

I run a social enterprise real estate development company here in Victoria. I'd like to speak to the emerging industry of car-free transportation options (and subsequent lifestyle trends) and how social enterprise developers like me look at turning the comparatively tiny investments in cycling infrastructure into new business models and housing options.

I will only need a few minutes to speak but I'd love a few details on the format of this meeting.

Thanks in advance for your time!

I will have a PowerPoint or video presentation and will submit it at least 24 hours in advance of the meeting.:
