Resources and Funding

The VICC member led Special committee on solid waste will utilize the \$12,374 originally allocated to fund programming and administration of the AVICC Special Committee on Solid Waste Management to:

1. administer a base level of activity of an annual staff and elected representative meeting/workshop to discuss comparative metrics, identify issues and challenges, identify areas of collaboration, discuss best practice and identify areas of advocacy;
2. administer two staff meetings to discuss technical elements of alignment, collaboration and advocacy; and
3. compile annual comparative solid waste metrics of member regional districts and produce an annual “State of VICC Solid Waste” Report.

Once a preliminary budget has been established and agreed upon by Committee members, funds remaining after 4 years of base level administration will be held in reserve to be used for any identified shared initiatives approved by the Committee. If potential collaborative project budgets exceed the reserve funds, participating member regional districts will be asked to contribute the remainder of the funding to complete the deliverables based on a fair cost-sharing formula to be established through discussion with the CAOs and approved by the Committee. In-kind contributions may be considered in the funding formula if the contributions will be substantial and measurable.

Meetings

Staff and elected representatives meet once a year in a workshop environment for a review of comparative data and effectiveness of local policy and programs, discuss current issues, new and emerging issues, areas of overlap with opportunities for collaborations and identify year's points of advocacy and potential area association resolutions. The annual meeting will be held in a hybrid format to accommodate all forms of participation.

It is expected that two virtual staff meetings will take place. Other than the annual meeting/workshop of elected officials and staff, meetings will be held virtually to minimize time commitment.

Wherever possible and feasible, in-kind contributions of technical and administrative support will be utilized.

Outside of the baseline activity of one annual meeting and two virtual staff meetings, CAOs and staff can meet as needed to discuss current issues, new and emerging issues, areas of overlap with opportunities for collaboration.

Quorum and Voting

A majority of appointed elected official Committee members present and voting at the annual meeting of elected officials and staff constitutes a quorum. A simple majority of

Committee members present at a meeting is sufficient to pass a resolution of the Committee, however consensus decision making may be given priority.

Code of Conduct (Bill 14 WorkSafe BC)

It is the responsibility of all participants to act in accordance with WorkSafe BC legislation, with specific attention to Bill 14 requirements, (s 5.1 WCA Pt II) to ensure the work environment is free of discrimination, bullying and harassment.
