1. Hearing Under Section 57 of the Community Charter Regarding Notices Against Title

This hearing is being convened pursuant to section 57 of the Community Charter. The Electoral Areas Committee has been delegated the power of the Regional Board to consider a recommendation of the Building Inspector to file a notice on land title of properties that contravene building safety standards and applicable building regulations.

Anyone who considers their interest in property will be affected by a notice on title shall be provided an opportunity to speak before the Committee. Speakers should focus their remarks on the issue under consideration and to address all comments to the Committee Chair.

Once the property owner has been heard, the committee shall determine whether to confirm the recommendation of the Building Inspector, to file a notice against title of the subject property.

During the course of this hearing, this committee is sitting as a quasi-judicial body and in that capacity should only consider the facts brought before it by the Building Inspector and the affected property owners. In making a decision, committee members should refrain from considering facts that are extraneous to the hearing process.
