Hello Emilie

Unfortunately Ryan Grenville is unable to attend, I will be the only presenter.

Good Afternoon Emilie

As per our conversation a couple of minutes ago, I would like to have
Ryan Greville, Manager, Navigation Protection Program, Transport Canada / Government of
Canada

Present about the Abandoned Boats program to the CRD Environment Committee, he will
require 10 minutes for a powerpoint presentation.

And separately I would like to speak in the required time allotment on our role and
involvement.
