

**MOTION WITH NOTICE TO THE HOSPITALS AND HOUSING COMMITTEE
MEETING OF SEPTEMBER 20, 2017**

SUBJECT Rental and Affordable Housing Market Crisis

RECOMMENDATION

Whereas our region is suffering from a crisis in both the rental housing market and the affordable housing market.

Whereas creating housing is a priority of the Capital Regional District (CRD) Board and other agencies.

Whereas one of the major obstacles in providing new housing is the availability and price of suitable land.

Whereas there are still funds left in our Housing First program to be disbursed.

Therefore be it resolved that the chair of the Capital Region Housing Corporation and the CRD Chief Administrative Officer enter into discussions with local governments and other governmental agencies with a view to identifying lands that could be made available for housing purposes.
