

## **Appendix A - History**

- Mar 3, 2017 Stop work order was posted for work being carried out without a building permit.
- Mar 21, 2017 Letter sent to the owner advising that the stop work order was placed for a moved-in mobile home that is to be used as an accessory building. This has been done without the benefit of a building permit.
- Sep 8, 2017 A second stop work order was posted for work continuing after the first stop work order posted on March 3, 2017.
- Sep 12, 2017 A registered letter was sent to the owner advising that the first stop work order dated March 3, 2017 has been removed and work has continued. New plywood and deck have been installed; also, rock wall and landscaping. As there has been no response to the previous letter, staff would be initiating registration of a notice on the land title and then the file referred for further action.
- Sep 14, 2017 Manager of Building Inspection authorized a staff report to the Electoral Area Services Committee requesting remedial action.
