Dear Sirs

RE: Municipal and Regional District Hotel Room Tax

The City of Langford is in the process of renewing our application for the existing Municipal and Regional District Hotel Room Tax. Part of this process is obtaining evidence that the Regional District has been consulted:

"If a municipality is applying, the municipality must provide evidence that the regional district has been consulted and indicate whether the regional district supports or opposes the imposition of the tax in the municipality."

In accordance with the above, we are asking for the Capital Regional District to support our continuation of the hotel room tax.

Please contact me if you require any further information.

Sincerely,

Audrey Kryklywyj-Shortreid  
Deputy Director of Finance
