Dear Chair Price:

Thank you for your letter of January 15, 2018, to the Honorable Selina Robinson, Minister of Municipal Affairs and Housing, advising of the Capital Regional District (CRD) Board's January 10th resolutions regarding the CRD's Regional Growth Strategy (RGS). As Assistant Deputy Minister in the Ministry's Local Government Division, I am pleased to respond on the Minister's behalf.

I would like to congratulate the CRD on the successful conclusion of the non-binding dispute resolution process. It speaks to the considerable collaborative efforts of all parties that solutions were generated for all of the disputed provisions of the RGS. I also look forward to learning the outcomes of the referral of the revised RGS. As you are aware, under the *Local Government Act* any provisions that do not receive unanimous approval from the member municipalities must be resolved through a binding resolution process.

Staff in the Ministry of Municipal Affairs and Housing, Local Government Division, continues to be available to work with CRD staff as required.

Thank you again for your letter.

Sincerely,

Tara Faganello
