Dear Mr. Robbins,

**RE: INTENT TO DIVEST SMALL CRAFT HARBOUR DISTRICT LOT 310,  
COWICHAN DISTRICT – NORTH GALIANO SMALL CRAFT HARBOUR**

The Whaler Bay Harbour Authority (WBHA) has managed the North Galiano Small Craft Harbour, under a Head Lease, since 2002.

Fisheries and Oceans Canada, Small Craft Harbour (SCH) has determined the North Galiano SCH facility no longer meets the operational requirements as an essential harbour for the commercial fishing industry in the Pacific Region. We understand that the Whaler Bay Harbour Authority is aware of SCH's decision and is agreeable to SCH divesting the North Galiano to a Third-Party.

We are therefore writing to you to see if the Capital Regional District may be interested in acquiring and operating the SCH North Galiano wharf and associated facilities.

I look forward to your response.

Yours truly

Dear Mr. Robbins,

**RE: INTENT TO DIVEST SMALL CRAFT HARBOUR DISTRICT LOT 431,  
COWICHAN DISTRICT – HORTON BAY SMALL CRAFT HARBOUR**

The Capital Regional District (CRD) has managed the Horton Bay Small Craft Harbour, under a Management Agreement, since 2008.

As you are aware, Fisheries and Oceans Canada, Small Craft Harbour (SCH) has determined the Horton Bay SCH facility no longer meets the operational requirements as an essential harbour for the commercial fishing industry in the Pacific Region.

We are writing to you to confirm the CRD's interest in acquiring and operating the Horton Bay wharf and associated facilities.

I look forward to your response.

Yours truly
