Planning and Protective Services Committee

**Meeting Date::**

Feb. 20, 2019

**Agenda Item::**

Food and Farmland Trust

**My reason(s) for appearing (is/are) and the substance of my presentation is as follows::**

I support the creation of a Food and Farmland Trust. As a market gardener and flower farmer, I believe this is a necessary action the CRD should take to ensure that young and new farmers have access to land, to learn food production skills and contribute to food security. I am not concerned about unfair competition if land is leased at fair market rates. As a taxpayer, I believe this is a worthwhile use of tax money.
