Capital Regional District
625 Fisgard Street
Victoria, BC V8W 2S6

Dear Kevin and Michael:

RE: Potential Development Partnership at 950 Kings Road

This is to confirm Island Health's commitment to explore a partnership with the Capital Regional Hospital District (CRHD) on a designated health facility at 950 Kings Road. While this does not serve as commitment to a formal partnership or development, Island Health looks forward to further exploring options for a new health facility at this location.

Sincerely,

Chris Sullivan
Director
Capital Planning & Leasing
