

Sherri Closson

From: Legserv
Subject: FW: Addressing the Board - Submission

Your name::
Ian Arnold

Municipality/Electoral Area in which you reside::
Saanich

I wish to address::
Hospitals and Housing Committee

Meeting Date::
May 1st

Agenda Item::
950 Kings Road development

My reason(s) for appearing (is/are) and the substance of my presentation is as follows::

I have lived in or around Quadra Village for the majority of my 30 years in Victoria. I watched the area have its school ripped away, its play grounds, its fields and green space, and now the CRD wishes to destroy the last of the green space that the community so desperately needs. If the CRD is interested in improving the area, it should instead develop the space into usable community recreation space, including examining the development of a skate park, and outdoor hockey rink, or hoop space.

Quadra Villiage doesn't need more parking, it needs more community space, especially with the addition of the new care facility already in development, and the proposed housing set to be added to the Hillside end of Evergreen Terrace.

I will have a PowerPoint or video presentation and will submit it at least 24 hours in advance of the meeting.:
No

The meeting and my presentation will be webstreamed live via the CRD website and recorded.:
