| Board Initiatives | Resolutions | Comments |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2a Declare a Climate Emergency and take a leadership role to pursue regional carbon neutrality by 2030. | ► Board Feb 13, 2019 | Correspondence: On February 25, 2019 the Board Chair wrote letters to the Federal and Provincial Ministers of the Environment to request that the federal government strengthen progressive partnerships and direct funding, and provide additional support to regional and local governments to achieve accelerated federal and local climate action goals related to both mitigation and adaptation. Resolution declaring a climate emergency at February meeting. |
| 2b Work with local governments to further reduce emissions from buildings, transportation and solid waste. | | Correspondence: On February 26, 2019 the CRD Board Chair wrote a letter to each CRD Municipality advising of the CRD Board’s climate emergency declaration and urging member municipalities to place the letter on an upcoming meeting agenda for council’s consideration. Met with Climate Action Program Inter-Municipal Working Group to prioritize new regional initiatives. |
| 2c Explore additional opportunities for resource recovery and identify best practices to further reduce waste, increase recycling and find beneficial uses for waste. | ► Board Mar. 13, 2019 | Options reported to Board for landfill gas utilization. Organics processing referred back to staff for report on options regarding composting. |
| 2d Ensure appropriate funding for parks and trails infrastructure, improvements and maintenance by updating the Regional Parks Strategy with consideration to ecological, recreation and reconciliation principles, land acquisition capacity, and expanded partnerships with First Nations and parks user groups. | | |
| 2e Develop model bylaws and best practices for use by municipalities and electoral areas. | | Initiated residential retrofit acceleration project. Continue local government EV policy support associated with CRD EV and ebike infrastructure planning project. |

The CRD Board will take measurable steps toward developing respectful government-to-government relationships and partnerships with First Nations to foster shared prosperity for all.

First Nations
Reconciliation

| Board Initiatives | Resolutions | Comments |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 4a Develop an advocacy strategy to ensure all occupied properties have the opportunity to access high-speed internet services. | | CRD staff have been in discussion with SRD staff on the connected coast project since Fall 2018. Sites identified as eligible in the <i>Connected Coast project proposal</i> . Inclusion in various programs is greatly enhanced with a board endorsed broadband strategy. Staff directed by EAC March 13 to advance all correspondence on rural definition issue to MLA Olsen to advocate for increased access to grant funding for EAs. Correspondence sent by CRD Board Chair on March 19 to MLA Olsen. |
| 4b Develop a comprehensive strategy and operational review to reflect the unique needs and governance of each electoral area. | ► <i>Board Jan. 9, 2019</i> ► <i>EAC Mar. 13, 2019</i> | Resolution supporting the submission of a grant application for \$25,000 to the UBCM Community Emergency Preparedness Fund – Evacuation Planning Stream for Evacuation Route Planning, as well as a grant application for \$100,000 to the UBCM Community Resiliency Investment Program to fund FireSmart initiatives in the Electoral Areas. EAC directed staff to bring back service establishment amendments to remove JDF EA from livestock kill compensation. |
| 4c Explore more comprehensive regional coordination of emergency services, including an assessment of regional hazards, risks and vulnerabilities. | | The Regional Emergency Management Partnership (REMP) Strategic Plan and work plan was reviewed and approved with work on a Regional Concept of Operations and Hazard Vulnerability analysis to continue. |
| 4d Achieve triple bottom-line sustainable budgets through innovation and streamlining while recognizing the need for infrastructure revitalization and accountability to taxpayers. | | |
| 4e Seek 100% participation in the CRD arts function and facilitate a discussion of the region’s art facility needs. | | In 2017/2018 staff along with Arts commission chair embarked on a roadshow to encourage participation in the Arts Development Service, resulting in net 1 participant increase to the service (+Sooke, +SGI, -Sidney). To advance a regional discussion on arts facilities, the Board could create a select committee/task force to investigate the issue. Internal and external resource support would be required to advance a feasibility study. |
| 4f Explore how the CRD can best contribute to regional economic development. | | Correspondence sent by Board Chair to support South Island Prosperity Project Smart Cities application. |
