Capital Regional District Mission Statement

[At the August 2, 2023 Governance Committee meeting, the recommended mission statement wording was amended and carried as follows:]

The Governance Committee recommends to the Capital Regional District Board:

That the following mission statement be adopted:

“We are a regional federation working together to serve the public good, plan for the future, and help build a livable, sustainable and resilient region. We work across municipal and electoral area boundaries to deliver services to residents regionally, sub-regionally and locally through an inclusive, efficient and open organization.”
