Capital Regional District Arts and Culture: 2022 Impact Report

[At the July 26, 2023 Arts Commission meeting, the recommendation was amended directing staff to also distribute the report to the next meeting of the CRD Board as follows:

That staff distribute the Capital Regional District Arts and Culture: 2022 Impact Report virtually through the Capital Regional District website and as physical copies to all council and electoral directors in the capital region and to the next regular meeting of the Capital Regional District Board.]

There is no recommendation. This report is for information only.
