2017 Energy Step Code Program Update - For Information

[The following recommendation was made at the February 7, 2018 Environmental Services Committee meeting: That the Environmental Services Committee recommend to the Capital Regional District Board:

That this report be forwarded to municipal councils, the Electoral Area Services Committee and the Planning and Protective Services Committee for information as amended to remove the words "CRD" from the title of the documents.]

That the Planning and Protective Services Committee receive this report for information.
