Investing in Canada Infrastructure Program (ICIP) - Rural and Northern Communities Program Grant Application: Juan de Fuca Electoral Area (Port Renfrew Water Service)

The Electoral Areas Committee recommends to the Capital Regional District Board:

1. That the September 9, 2020 Board resolution recommending that a grant application through the Investing in Canada Infrastructure Program - Rural and Northern Communities Program be submitted for the Wilderness Mountain Water Service project, be rescinded; and,
2. That the Board authorize staff to submit an application for grant funding for the JDF Electoral Area: Port Renfrew Water Service Supply upgrade Project through the Investing in Canada Infrastructure Program - Rural and Northern Communities Program; and that the Board supports the project and commits to its share (\$50,000) of the project.
