### Biosolids Management - Response to Peninsula Biosolids Coalition

[At the June 16, 2021 Environmental Services Committee meeting, the recommendation and three motions arising carried:]

The Environmental Services Committee recommends to the Capital Regional District Board:

1. That the Regional District support and facilitate where possible the business case process the Township of Esquimalt is doing to explore feasibility and gasification of solid waste and kitchen scraps waste management.
2. That the CRD utilize this process to test biosolids in the gasification process as an option of the final step in the final stage of biosolids for our region.
3. The CRD Board request from the Province the end of Land Application of biosolids on the surface of Hartland Landfill.
4. That this staff report be received for information.
