Motion with Notice: Electoral Areas Exclusion from New Regional Arts Facility Service (Director Holman)

The Electoral Areas Committee recommend to the Capital Regional District Board:
Whereas electoral areas would not have arts facilities with sufficient scale or accessibility to be considered regionally significant, and;
Whereas regional arts facilities located in Greater Victoria would not generally be easily accessible to residents of electoral areas;
Therefore be it resolved that the proposed new regional arts facility service exclude electoral areas, while leaving open the possibility that they can opt into the service voluntarily.
