CRD Regional Parks - Mosquito Population Management and Control Program

The Regional Parks Committee recommends to the Capital Regional District Board:

1. That the Board authorize up to \$15,000 of funding toward a feasibility study for the replacement of the Tsawout flapper gate; and
 2. That staff undertake a drainage study for the ditches in Island View Beach Regional Park, share the results with the District of Central Saanich and Tsawout First Nation, and report back.
