### Biosolids Short-term Contingency Beneficial Use Plan

[At the January 18, 2023 Environmental Services Committee meeting, the below staff report recommendation was discussed and DEFEATED.

That the Environmental Services Committee recommends to the Capital Regional District Board:

1. That the Capital Regional District (CRD) Board amend its policy to allow non-agricultural land application of biosolids as a short-term contingency alternative; and
2. That staff be directed to update the CRD's short-term biosolids contingency plan correspondingly.

(WP - Colwood, Esquimalt, Langford, Oak Bay, Saanich, Victoria, View Royal)]

[Following the vote on the DEFEATED motion, the below motion arising was passed:]

That the Environmental Services Committee recommends to the Capital Regional District Board:

Direct staff to look at alternative options and maintain the status quo for now.
