### Bylaw No. 1465 - Livestock Kill Compensation; Alternatives for Electoral Area Participation

[The following motion was tabled at the September 9, 2020 Electoral Areas Committee:]

- a) That staff be directed to convert the Animal Control Service created by Letters Patent to a service operated by establishing bylaw;
- b) That staff be directed to separate-out the livestock kill compensation function into three separate services, one for each electoral area; and
- c) That the bylaw for each livestock kill compensation service set an annual maximum at the recommendation of the applicable Electoral Area Director.
