Motion with Notice - Director Jensen: Regional Approach to 911 Call Services

THAT staff be asked to:

1. Provide an analysis of the feasibility of co-locating 911 with police and fire dispatch in the new purpose-built centre.
2. Provide advice on the process required to establish a regional fire dispatch centre and a corresponding governance model.
3. Consult with municipal staff to identify issues that will need to be addressed to create a regional fire dispatch centre and governance model.
